Welcome to the Texas Classic Productions Oilfield Expo Series.

One of the most important factors in evaluating whether or not a particular trade show will be a good fit for your business is ensuring that show has a successful history.

Texas Classic Productions' launched its first oil and gas trade show in 2011 with the East Texas Oilfield Expo in Longview, TX.

In 2015, Texas Classic Productions will produce oil and gas expos taking place in Shreveport, San Antonio, Oklahoma City and Houston. These shows have become some of the largest expos on the North American oil and gas trade show calendar.

Several factors have fueled this growth: the understanding that each market presents unique challenges, a commitment to collecting feedback, thoughtful responsiveness and an unwavering commitment to our founding principles:

- Our goal is to produce business-oriented trade shows dedicated to generating exposure and ROI for our exhibitors and sponsors.
- Our goal is to create an industry-exclusive environment, to maximize sponsors' and exhibitors' investments and maintain the integrity of the show.

Enclosed you'll find information that documents past performance and will be helpful in determining how beneficial sponsoring or exhibiting in a Texas Classic Productions' Oilfield Expo will be to your business.

To request additional post-show reports with information on previous shows, contact us at (866) 918-5550 or info@TexasClassicProductions.com

We look forward to hosting you at the next Texas Classic Productions' Oilfield Expo.

Best regards,

Eli Logan

President

Texas Classic Productions, LLC

ATTENDEE DEMOGRAPHICS & SURVEY RESULTS

A crucial part of selecting a trade show that will help generate legitimate sales leads for your business is to determine that the attendees present are in line with your customer base. Below is attendee information that includes title, and geographic location.

ATTENDANCE AT A GLANCE:

- 35 different **U.S. states** were represented
- 6 different **countries** were represented

"We have exhibited with Texas Classic Productions since 2011.

On a scale from 1-10, I would say this last show was a 9. I was able to pull 12 qualified leads from this last show."

- Guy Chachere, Sidewinder Pumps, Inc.

Oilfield Expo Series Exhibitor Testimonials

"The most recent Oilfield Expo allowed us the face time we needed to regain a customer that we had lost to our competitors. **It was a \$400,000 account we regained.** We also were able to bid on two new accounts that could yield **an additional \$300-\$400,000 a year each.** These are our results from exposure at one show."

— Sam Chellam, American Block Manufacturing Co.

"We had a customer come in, they saw a flow meter they particularly liked and the next thing I knew, I was in their office a few weeks later with a **1.8 million dollar contract** for two years' worth of product."

— Jason Ballard, TechStar

"We picked up two customers who have actually placed orders with us. One customer has since ordered four times... We do five shows a year, and four of them we do with you."

— Ryan Schaub, American Spincast

"That was about **1.5 million dollars** that I made in 15 minutes this morning [at the Expo]."

— Cade Carlock, TLR Welding

DITCH THE CANDY BOWL.

The goal of every show in Texas Classic Productions' Oilfield Expo Series is to create a business-focused environment conducive to networking and deal-making.

*"We were able to get leads that led to three very successful jobs. Because of those three jobs, we had our largest month ever." - **Rig Mats of America***

*"Last year, we got our own booth up front and met a couple of new customers that we have been doing business with for 24 months now." - **BK Equipment***

*"At every single show we walk away with several quality leads. One show in particular we were able to close a customer that has now turned into one of our top three customers." - **Normco Energy Products***

Our shows are not open to the public. They're open exclusively to oil and gas professionals who are currently employed within the industry. To us, it's more important to bring you qualified leads than to fill the show floor with warm bodies in an effort to boast an attendance number.

We also offer several free marketing tools that can be quickly and easily branded with your logo and your booth number. Using these tools allows you to promote your brand, invite potential customers and use your booth space to close the deal.

Check out the following pages to see oil and gas companies who exhibited in this year's show. You may spot a competitor or two. If you do, contact an Account Manager at (866) 918-5550 to secure your space in Texas Classic Productions' Oilfield Expo Series.

EXHIBITING COMPANIES

3D Max Security	Cameron Solutions, Inc.	Equipment Technology	Hydro Engineering, Inc.
5Elem	Cameron Valves & Measurement	Estis Compression/ McClung Energy	Industrial Electronic Supply
ABC Auto	Capps Van & Truck Rental	Eubank National Oil Company	Industrial Tectonics

EXPECT PRE-QUALIFIED LEADS.

Texas Classic Productions' Oilfield Expo Series attendees are in a position to either make or influence purchasing decisions and every attendee is relevant to the oil and gas industry. How can we guarantee that relevance and exclusivity when our entry fee is so affordable? We qualify each attendee individually to ensure they're currently employed within the industry and attending the show in a product research, networking or purchasing capacity.

Qualifying leads at the door means our exhibitors and sponsors are able to follow up on relevant leads more quickly and shorten the post-show sales cycle.

*"The people walking through the doors are exactly the people that we want to talk to: the operations people, the managerial people, and the purchasing people." - **Hytorc Central***

*"Everybody that came in were qualified leads. They were end-users, distributors and people we can look at as channel partners." – **Black Gold Pump & Supply***

*"The guys walking through the door are decision-makers." – **Sioux Steel***

The next few pages list the titles and companies of decision makers who attended this year's show. If you see listings that are consistent with your existing or potential customers, contact an Account Manager at (866) 918-5550 to reserve your space in Texas Classic Productions' Oilfield Expo Series.

☐ 2015 Houston Oilfield Expo ☐ 2016 Ark-La-Tex Oilfield Expo

TERMS AND CONDITIONS

- Offer and Acceptance.** Exhibitor's submission of the Exhibit Space Agreement form, with or without a deposit, shall constitute an offer from Exhibitor to enter into such Agreement with the Trade Show(s), causing the Agreement as a whole to become effective.
- Arrangements of Exhibits.** Exhibits shall be so arranged as not to obstruct the general view nor hide the exhibits of others. Plans for specially built displays not in accordance with these Exhibition Rules and the regulations set forth in the Exhibitor Packet must be submitted to Show Management before construction is ordered and/or begun. The Exhibitor Packet will be supplied to Exhibitor approximately three months before the Exhibition. With or without prior inspection, Exhibitor understands that by signing the Agreement form, Exhibitor agrees to be bound by the Exhibitor Packet, which shall form part of the Agreement.
- Exhibitor Services Contractor.** The official exhibitor services contractor of the Expo is responsible for drayage, decoration, and labor. Drayage pertains to the moving of freight from the loading docks to booths, and from booths to the loading docks; also between booths. Decoration pertains to installing, decoration, and dismantling exhibits. Labor for drayage and decoration, as well as for signs is also arranged through the exhibitor services contractor. We recommend that each exhibitor obtain a proforma invoice for all services supplied by the exhibitor services contractor before leaving the exhibition hall.
- Soliciting/Photographs.** Exhibitor is prohibited from distributing (i) literature, souvenirs, or other items from outside the boundaries of Exhibitor's booth, and (ii) literature, souvenirs, or other items that are other than Exhibitor's own materials; in each case, unless Exhibitor has obtained Show Management's prior written approval. These prohibitions apply before, after, or during Exhibition hours. Canvassing in exhibit halls or distribution of advertising matter, souvenirs, or any other items whatsoever by anyone who is not a paid exhibitor is strictly forbidden. Exhibitor is prohibited from taking photographs of other exhibits or other aspects of the Exhibition, without Show Management's prior written approval. Exhibitors may photograph only their own booth(s).
- Exhibitor Personnel and Others.** Technical specialists, qualified to discuss engineering details of their products, must man booths at all times during Exhibition hours. Show Management reserves the right to prohibit an exhibit or part of an exhibit that, in Show Management's sole discretion, may detract from the character or nature of the Exhibition.
- Booth Occupancy.** All rented space must be occupied only by representatives of the company which has made the agreement with Texas Classic Productions LLC to exhibit at the Trade Show(s). Except for companies that share an explicit supplier/vendor relationship, exhibiting companies are forbidden from promoting outside/sister companies in their booth space. Booth sharing, swapping, or resale is prohibited without exception. All booth space must be staffed completely and all booth displays must remain fully assembled for the full duration of the published show hours; failure to do so, including by breaking down displays before close-of-show or by leaving early for any reason whatsoever, will result in a monetary penalty equal to 50% of the cost of the exhibitor's purchases for the Expo.
- Remedies.** If Exhibitor fails to make any payment or otherwise breaches any provision of the Agreement, and fails to cure within a reasonable time (as defined in the next sentence) after Exhibitor has received written notice from Show Management specifying the breach, Show Management shall have the right to exercise (without further notice) any one or more of the following remedies at any time after such reasonable time has passed: (i) cancel the Agreement in whole or in part; (ii) evict Exhibitor from any or all of the space being rented by Exhibitor; (iii) have any of the Agreement's violated provisions specifically enforced; and/ or (iv) exercise any other remedy available by rule of law. "Reasonable time" means: (i) immediately in the case of any breach occurring during the Exhibition; (ii) 24 hours, in the case of any failed payment and (iii) 5 days, in the case of any other breach. In addition, Show Management may keep any and all monies received from Exhibitor as liquidated damages, it being understood that the Trade Show(s)' losses and damages from Exhibitor's breach of the Agreement as well as a precise value for services provided by the Trade Show(s) prior to the conclusion of the Exhibition are difficult to ascertain and that the agreed liquidated damages are not intended and may not be construed as a penalty. Upon cancellation of the Agreement, Show Management may (without prejudice to any other available remedy) rent Exhibitor's space to any other exhibitor, or use such space in any other manner as Show Management deems necessary, in its sole discretion, without any obligation to Exhibitor.
- Unoccupied Space.** If any of Exhibitor's space remains unoccupied on opening day of the Exhibition, Exhibitor shall be deemed to have abandoned such space. Thereafter, Show Management shall have the right to rent such space to any other exhibitor, or use such space in any other manner as Show Management deems necessary, in its sole discretion, without any obligation to Exhibitor. This Section shall not be construed as affecting the obligation of Exhibitor to pay the full amount specified in the Agreement for space rental.
- Liability.** Neither Show Management nor its agents or representatives will be responsible for any injury, loss, or damage that may occur to Exhibitor or to Exhibitor's employees, invitees, licensees, or guests, or Exhibitor's property, from any cause whatsoever. Under no circumstances shall Show Management or its agents or representatives be liable for (i) any special, indirect, incidental, or consequential loss or damage whatsoever, or (ii) any loss of profit, loss of use, loss of opportunity, or any cost or damage resulting from any such loss. Exhibitor acknowledges that the risk allocations of this Section are reasonable based on the understanding that Exhibitor shall obtain, at its own expense, adequate insurance against any such injury, loss, or damage. Show Management shall not be liable for failure to perform its obligations under the Agreement as a result of strikes, riots, acts of God, or any other cause beyond its control. Anyone visiting, viewing, or otherwise participating in Exhibitor's booth or exhibit is deemed to be the invitee, licensee, or guest of Exhibitor, and not the invitee, licensee, or guest of Show Management. Exhibitor assumes full responsibility and liability for the actions of its agents, employees, independent contractors, or representatives, whether acting within or without the scope of their authority, and agrees to defend, indemnify, and hold the Trade Show(s), the exhibition hall, and their respective privies, harmless from and against claims resulting directly or indirectly from the actions or omissions of Exhibitor and/or Exhibitors agents, employees, independent contractors, or representatives, whether within or without the scope of authority. There is no other agreement or warranty between Exhibitor and Show Management except as set forth in this document and the Exhibitor Packet. The rights of Show Management under the Agreement shall not be deemed waived except through writing signed by an authorized officer of Show Management.
- Insurance.** For the term of the Agreement, Exhibitor shall at all times maintain insurance sufficient to cover the liabilities of Exhibitor under the Agreement. The amount and scope of such insurance shall be reasonably satisfactory to Show Management. Such insurance shall also provide coverage for Exhibitor's contractual obligations to defend, indemnify, and hold harmless, as stated in the Agreement. Show Management shall be added as an additional insured to such insurance. Exhibitor's insurer shall confirm to Show Management that such insurance cannot be cancelled or changed without thirty (30) days prior written notice to Show Management. Exhibitor agrees to provide Show Management a suitable certificate verifying that the required insurance is and will remain in force for the duration of the Exhibition.
- Force Majeure.** In case the Exhibition hall is damaged or destroyed by fire, the elements, or any other cause, or if circumstances make it unreasonably difficult for Show Management to permit Exhibitor to occupy the assigned space during any part of the whole of the Exhibition, then during such circumstances Show Management, the building management, and their respective privies will be released and discharged from the obligation to supply space, and Exhibitor will be reimbursed a proportionate share of the booth rental previously received by the Trade Show(s) from Exhibitor. The Trade Show(s) reserves the right to cancel, re-name, or relocate the Exhibition or change the dates on which it is held. If the Trade Show(s) changes the name, relocates to another facility within the same city, or changes the dates for the Exhibition to dates that are not more than 30 days earlier or later than the dates originally scheduled, no refund will be due Exhibitor and the Trade Show(s) shall assign to Exhibitor such other space as the Trade Show(s) deems appropriate. In such case, Exhibitor agrees to use such space under the terms of the Agreement.
- Jurisdiction and Attorney Fees.** Should any legal action be commenced to resolve any dispute under the Agreement: (i) Exhibitor hereby consents to venue and jurisdiction in the federal or state courts located in Longview, Texas (headquarters of Texas Classic Productions, LLC), and agrees that no such action may be brought in a forum not located in Longview, Texas; and (ii) the prevailing party shall be entitled to an award of litigation expenses, interest, and reasonable attorney fees, in addition to any other remedy obtained.
- Taxes and Licenses.** Exhibitor shall be responsible for obtaining any licenses, permits, or approvals required under local, city, state, or national law applicable to Exhibitor's activity at the Exhibition. Exhibitor shall be responsible for obtaining any tax identification numbers and paying all taxes, license fees, use fees, or other charges that may become due to any governmental authority concerning Exhibitor's activities related to the Exhibition.
- Cancellations.** In the event that Exhibitor wishes to cancel some or all of its allotted exhibit space, Exhibitor may request and Show Management may grant such cancellation, but only with the following understandings: (i) all cancellations must be requested in writing and addressed to the Trade Show(s) at the address below; (ii) Show Management is not required to refund any portion of moneys (the 50% deposit, full fee, or otherwise) previously paid by Exhibitor; (iii) if Exhibitor's cancellation request is received by Show Management after the Agreement has become effective, Exhibitor nevertheless agrees to pay the full fee based on the original space requirements, before such cancellation will become effective. Show Management assumes no responsibility for having included the name of Exhibitor in the Exhibition catalog, brochures, news releases, or other materials.
- Changes.** If Exhibitor requests an increase of its booth space after the Agreement has become effective, Show Management will use reasonable best efforts to accommodate such request, subject to space availability, additional fee payment, and other circumstances then prevailing. If Exhibitor requests a change that leads to a net reduction of booth space from original requirements, such request shall be covered by Section 12 above.
- Other Matters.** The Event is owned, managed, and produced by Texas Classic Productions LLC, whose main office is at 315 N Center St., Longview, TX 75601. All matters not expressly covered in the Agreement are subject to the reasonable decision of the Show Management, whose decision shall be final.

I, the undersigned, have read, understand fully, and agree to abide by the above terms and conditions for the above listed Texas Classic Productions LLC Trade Show(s).
